

# Secret Underwater Base

## Factsheet about Spreadable Fruit Games' local coop game S.U.B.

## Description

Navigate through the dark, deep seas with your best friend to infiltrate the Evil Doctor's Secret Underwater Base © in this two-person local couch co-op game! Will you be able to outrun the dreadful laser-robot-sharks long enough to foil the Evil Doctor's plans?

S.U.B. (Secret Underwater Base) is a 2-player local cooperative secret agent underwater action adventure game, fully made in an Arcade 8-bit visual- and audio style. Team up with a friend to infiltrate the Evil Doctor's secret underwater base; the fate of the world is in your hands!

S.U.B. was created during the **2017 Global Game Jam** by Spreadable Fruit, at that point not yet a business but a hobbyist team of 6 members total. S.U.B. went through the Steam Greenlight system during the **end of 2017** and was officially released on the **5th of February 2018**.

## Features

- Two gamemodes to explore ("endless" & "normal") while trying to halt the Evil Doctor's evil plans!
- Gain access to the Secret Underwater Base using your state-of-the-art submarine!
- Navigate through the dark using your sonar!
- Hop into any role and/or task you want on the fly! Upgrade and expand your submarine with better gadgets!
- Always be wary of the evil doctor's minions! (Spoiler: there be robot sharks)
- Explore your way through a fun mix of procedurally generated levels!
- Thanks to Steam's remote play functionality, play together while far apart!
